Domestic Frequency Assignment

STAT

1. The Office of Communications (OC) is currently reviewing the Agency Master Frequency Register. This review is conducted in coordination with the National Telecommunications and Information Administration and the Federal Communications Commission to ensure that respective frequency management records correspond. To assist us in this endeavor, we ask that the addressees provide a complete list of all UHF, VHF and Microwave frequencies in use by their respective components in the metro area. Responses should be keyed to the following format:

- a. Frequency
- b. Category (sensitive/non-sensitive)
- c. Dates and hours of operation
- d. Emission/Bandwidth
- e. Station class (fixed/mobile, etc.)
- f. Transmit power (specify if repeater operation)
